legal boundaries and names are as of January 1, 2000.
The boundaries shown on this map are for Census Bureau statistical data collection and
publication purposes only; their depiction and designation for statistical purposes does not
constitute a determination of jurisdictional authority or rights of ownership or entitlement.

The plotted map scale is 1:48000

A diagram illustrating the concept of "Sheet Location within C". It features a large, irregular black-outlined shape representing a container or boundary. Inside this shape, there is a smaller, solid gray rectangle representing a sheet or component. A horizontal line with arrows at both ends extends from the right side of the gray rectangle towards the right edge of the main container shape, indicating the extent of the sheet's placement within the container.
